FUN WITH FRIENDS! SILLY OBSTACLE COURSE

You'll need: Three things to use as "obstacles." They can be anything that is OK to play with, for example, a pool noodle, a small empty box, and a wooden spoon. You will also need one 6-sided die.

How to play: One friend is the instructor and one is the obstacle course "runner." The Runner should roll the die three times for each obstacle, one roll for each of the A, B & C categories of things to do. Then the Instructor will tell them what to do at each obstacle.

Example: Obstacle 1, Pool Noodle

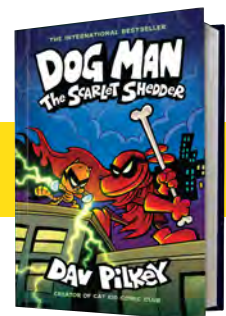

Runner rolls 3, 3, 2. Instructor says "**DANCE NEAR** the pool noodle and **BE A CHICKEN**"
