WHAT'S THE WORD?

What you'll need: A pencil and two copies of this activity sheet (one for your opponent and one for yourself)

How to play: Each person chooses a secret 5-letter word and writes it down in the space at the top of their paper. Make sure to keep your word secret! Take turns guessing each other's secret words. To begin the game, write down your word guess in the space provided and say it aloud. If your word guess is right—you win! If your guess is wrong, your opponent tells you if any letters in your word guess are correct. Be sure to use the letters you got right in your next guess.
