

Hh =  **Henry the Hippo** 

Hand Soap

Flashing timer makes cleaning easy and fun. Henry the Hippo is totally pumped about his NEW flashing head. Every time he's pressed, his head blinks for 20 seconds, teaching your toddler to wash long enough before rinsing.* Light up your toddler's face with the hippest hand soap around!

*Meets Center for Disease Control recommended 20-second hygiene time for healthy hand washing.

- ① Pump soap into hands.
- ② Lather until flashing stops.
- ③ Rinse.
