ENGAGING RESOURCES THAT IMPROVE ENGLISH LANGUAGE INSTRUCTION

FEATURING:

- Literacy Instruction
- Readers
- Classroom Libraries
- Interactive Technology
- Student Workbooks
- Listening Practice
- Student Reference
- Teaching Resources
- Professional Development

Dear Educator,

Welcome to Scholastic International's English Language Teaching & Learning Catalog!

Since 1920, Scholastic has introduced young people to the joys of reading and learning. Through a vast range of books, technology, and teaching resources, Scholastic – one of the fastest growing educational publishers and the most trusted name in learning – reaches millions of teachers, students, and parents worldwide.

If you are teaching your students to read, write, and speak in English, Scholastic can help. Scholastic offers a wide range of engaging, high-interest materials that will infuse excitement into your ELT program.

This collection of ELT materials is ideally suited for early learning, primary and secondary schools, and English language institutions. Featuring our best-selling supplemental ELT programs and professional development materials, inside this catalog you will find:

- **Literacy Instruction Programs** – Our English language literacy instruction programs offer the best supplemental support for all ages – from your earliest learners up to teens.
- **Readers and Classroom Libraries** – Books in the classroom are key to increasing reading skills and improving reading achievement. Our engaging, age-appropriate collections of authentic literature encourage independent reading and provide relevance to core materials for all students. Don't miss our **NEW ELT Reader Sets (see page 21)!**
- **Student Workbooks** – Build reading and writing skills through phonics, fluency, grammar, spelling, and vocabulary practice. Scholastic Workbooks are filled with purposeful, playful word-building and blending practice activities that teach children how English words work.
- **Audiobooks and Interactive Technology** – Bringing you the latest and greatest in educational technology, our audiobooks, DVDs, and adaptive technology-based programs provide English language learners with the audiovisual support they need. Be sure to check out **BookFlix[®], WiggleWorks[®], and Scholastic Zip Zoom[®] English.**
- **Reference Materials** – Every English language learner needs a helping hand. Look up word meanings and learn idioms with Scholastic dictionaries and other reference materials.
- **Teaching Resources** – Find graphic organizers, reproducibles, and professional books that provide teaching strategies and activities to increase motivation in your ELT classroom.

We are very proud to present these motivating and accessible materials to you and your students.

For questions or more information:

- **Visit our ELT Web site: www.scholastic.com/elt**
- **Contact Your Regional Scholastic Representative** (see page 53)

Thank you for making Scholastic a part of your ELT program and including us in your daily efforts to help all students succeed.

Sincerely,

Edie Perkins
Vice President

Vocabulary Support

Manipulatives give hands-on reinforcement to key English language literacy skills.

Little Red Tool Box is an English language early literacy program that provides the materials needed to challenge and support basic reading skills. These flexible manipulative sets support English language learners by addressing skills that are transferable from their primary language to English, including the alphabet, grammar, the use of cognates, sound-spelling, sight words, word learning strategies, and sentence formation. Students will love using these fun, hands-on tools that reinforce your core English curriculum. Each set is accompanied by a Teaching Guide with background information, lesson and activity ideas, and reproducible practice sets.

Zip into Language. Zoom into Reading!™

Zip Zoom English is a comprehensive technology and print program proven to accelerate English language literacy development of beginning English language learners ages 5–9. The program moves students through four distinct areas of learning: vocabulary, sounds/letters, fluency and reading comprehension, and assessment. The adaptive, self-paced, interactive software provides engaging, audiovisual support—enhancing mental models and motivating young learners, while the Critical-Word Readers provide additional vocabulary and fluency support. Extensive print, online, and multimedia teacher resources are also included to further professional development and provide specific ELT support.

Powerful Proven Technology

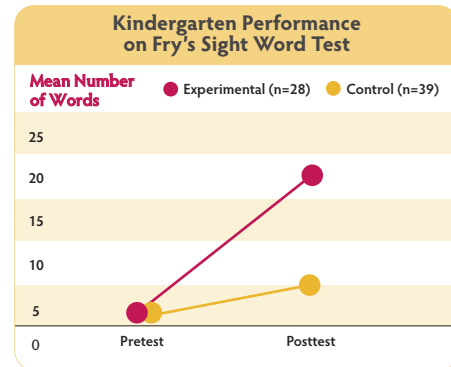

Mastery of Critical Words

A collection of books that focuses on critical English language academic vocabulary words. Audio support improves listening skills and models pronunciation.

- 360 books (6 copies of 60 titles)
- 3 Audiobook CDs

Proven Effective!

Recent research revealed that kindergarten English language learners using the **Zip Zoom** English software increased their sight word recognition by more than twice that of the control group who did not use the software (PREL, 2004).

Professional Development and Teaching Materials

To ensure confidence and comfort in working with English language learners, each set of **Zip Zoom** English is packaged with an enrollment in an online professional development course in addition to professional video workshops.

Video Workshops (15 professional development videos)

Expand vocabulary in just 15 minutes a day!

Powerful Vocabulary for Reading Success is the first vocabulary program to offer you a systematic, teacher-directed approach to improving your students' reading comprehension while building English language academic vocabulary.

This Unique Program Is:**Explicit and Comprehensive**

Models effective word learning strategies and provides access to hundreds of essential words through multiple exposures.

Strategy-Based

Teaches word learning principles and strategies together to increase English language vocabulary rapidly, improve fluency, and make vocabulary learning an ongoing, cumulative process.

Skill-Building

Provides instruction for hundreds of targeted words and effective tools for deciphering hundreds more commonly unknown words.

Components Include:

- **Student's Edition** — includes 26 lessons filled with high-interest, age-appropriate nonfiction and fiction selections and engaging activities. Each lesson includes word-learning tips, vocabulary-building strategies, application exercises, assessments, and follow-up reading and writing activities.
- **Teacher's Edition**
 - 26 scaffolded lesson plans including a modeling segment, think-alouds, independent student activities, and assessment guides.
 - Reproducible flash cards for independent practice of each word.
 - Graphic organizers on transparencies for instant whole-class modeling of key strategies.
 - Review of the latest research on vocabulary instruction.
 - Complete answer key and glossary of all words and definitions used in the Student Editions.
 - Ongoing Mystery-Word-of-the-Week game.

A comprehensive and age-appropriate program for teaching English to adolescents.

Scholastic READ XL is a comprehensive, research-based reading program that responds to the needs of older English language learners. Age-appropriate fiction and nonfiction titles – including functional literacy “real-world reading” – engage students to accelerate English language reading, writing, listening, and test-taking skills.

Components Include*:

- **Teacher's Guide** – Comprehensive, student-focused lesson plans.
- **Pupil Packs with Student Anthology** – Leveled using the Lexile Framework for Reading. Including more than 60% nonfiction real-world readings, contemporary young-adult fiction, plays, poetry, and more. (3 shared novels; Audio CD available)
- **Audiobook Library** – Build listening practice as students read. Provides modeled reading through two voices—a narrator to read text and a reading coach who models strategies—as students follow along in their books.

*All components available for purchase separately.

Three levels of high-interest materials to meet all your secondary students' needs!

Playful stories accelerate English language development and reinforce reading comprehension.

Scholastic Phonics Readers accelerate English language development by reinforcing core phonics skills. This proven series of 72 books provides students with systematic, purposeful phonics practice in the context of playful stories that motivate young children to read. The accompanying Teacher's Guide includes a lesson plan for each title.

Scholastic Phonics Readers:

- Boast 100% controlled text for phonics and sight words, systematically introducing new oral and academic vocabulary.
- Motivate children with different genres and subject matter through authentic literature.
- Strike a balance between controlled phonics and "real-world" language, allowing young learners to make meaningful connections.
- Provide illustrations that visually support learners in building mental models and providing visual clues that will improve reading comprehension.

Full Set Includes:

- **144 Phonics Readers** (36 books; 4 copies each)
- **4 Pocket Charts**
- **4 Sets of Alphabet/Phonogram Transparencies**
- **Take-Home Books** (blackline masters of all 36 books)

Carefully sequenced books for increasing vocabulary and fluency in beginning readers.

Zip Zoom Critical-Word Readers is a supplemental early reading program designed especially to meet the needs of beginning English language learners ages 5–8. The program is proven to help students gain reading comprehension skills and accelerate reading fluency. Flexible lesson plans included for systematic instruction of high-frequency and highly meaningful words help English language learners master essential vocabulary.

Zip Zoom Critical-Word Readers:

- Expand oral language.
- Develop essential English vocabulary.
- Accelerate oral reading fluency and speaking skills.
- Increase listening and reading comprehension.

Developed by
Dr. Elfrieda H. Hiebert

Each Level Includes:

Student Materials

- **360 Sequential Books** (60 titles; 20 titles per level; 6 copies each)
- **3 Audiobook CDs** (1 per level)

Instructional Materials

- **Professional Guide** – provides complete instruction for each paired book.
- **Teacher Resources CD** – includes extra independent writing and vocabulary activities and take-home books.

Recent studies on the **Zip Zoom Critical-Word Readers** reveal that students using these books for only eight weeks improved their oral reading fluency, achieving 27 correct words per minute, outperforming the control group that did not use the Critical-Word Readers.

High-interest, low-level readers ideal for independent reading.

Scholastic Action Book Collections provide a broad range of highly engaging, age-appropriate books that will entice students to practice reading independently. Integrated, research-based components – Action Books, Reader’s Notes, and Teacher’s Guides – provide academic vocabulary support designed to increase reading comprehension and English language acquisition.

Scholastic Action Book Collections Offer:

- Quality hi-lo nonfiction and fiction collections to ignite student interest with “real world” English and allow for meaningful connections in the content areas.
- Books with embedded reading strategies and targeted vocabulary to scaffold instruction and improve reading comprehension.
- Student Reader’s Notes that build reading, writing, vocabulary and grammar skills with exercises connected to specific passages in each book.

Each Collection Includes:

- **36 Books** (6 titles; 6 copies each)
- **36 Reader’s Notes Booklets**
Activity Worksheets (6 copies per title)
- **Teacher’s Guide**
Teaching plan and reproducible Reader’s Notes for each title included.
- **Convenient Storage/Display Case**

Also Available:

Additional Reader’s Notes for each collection in packs of 36 (6 copies per title)

Engage ALL students on ONE theme with three books at THREE different language proficiency levels.

Perfect for classrooms with a wide range of English language proficiency levels, **Scholastic Trio** is a series of themed reading collections that engage students at three levels of reading ability – Below, On, and Above – all on the same science or language arts content-area topic. Activities before, during, and after reading build and monitor reading comprehension skills, develop vocabulary, and improve writing and grammar abilities. Authentic trade books keep student interest and help teachers effectively instruct a diverse classroom.

Scholastic Trio Features:

- **Individual Theme Units on Language Arts or Science Topics***
Includes 6 copies of each leveled book (18 total), Teaching Card, Blackline Masters, and Program Guide.
- **Content-Area Units:** Choose Language Arts or Science for any set. Includes 4 complete Theme Units with 72 trade books plus teaching materials.

High-interest, age-appropriate books for older English language learners.

Scholastic FX Books is a collection of 24 high-interest, age-appropriate texts for middle and high school students with limited English language proficiency. Unlike other low-level readers, this collection will excite older readers as they build English language literacy through intensive reading practice.

Scholastic FX Books Features:

- Motivate students with high-interest, low-level fiction and nonfiction texts.
- Build confidence by promoting successful independent reading practice and enjoyment.
- Improve students' English language academic vocabulary and grammar skills through engaging practice activities.

FX Books Collection Includes:

- 72 Books (24 titles; 3 copies each)
- Teacher's Guide
- Attractive Storage Case

HI-LO READERS

Build English language proficiency

Fiction and nonfiction books in Scholastic FX Books target important phonics patterns.

Practice Activities

Help students master the targeted sound patterns while building fluency, vocabulary, and confidence.

Targeted Phonics Practice

Each book targets one to three phonics patterns and contains numerous examples of each, providing students with the practice they need to build fluency.

Easy-to-use instructional support

Teacher's Guide provides comprehensive support and student activities for each book.

FX Factor presents instructional support for teaching the targeted phonics pattern(s).

Vocabulary highlights the high-frequency vocabulary words that are critical for students to learn in each book.

300 High Frequency Words that teachers can use with students to build vocabulary and assess fluency.

Comprehension provides questions to help teachers assess students' understanding of the books they are reading.

Dynamic and engaging hi-lo science readers!

With exciting nonfiction content and compelling full-color photographs, **24/7: Science Behind the Scenes** readers grab student interest from the first page. These high-interest books focus on the science and technology used to solve real-life crimes and heart-stopping mysteries. Subsets covering forensics, medical cases, unsolved mysteries, and espionage build science vocabulary and allow students to practice reading nonfiction and scientific material.

24/7: Science Behind the Scenes Features:

- High-interest/low-level books for older students.
- Background information to build content-area knowledge.
- Reading comprehension cues such as prompts, call-outs, highlighted words, diagrams, and primary sources.
- Mock dialogues to present essential academic vocabulary terms in context.

Age-appropriate literature—with audio support!

READ 180 Xtra Audiobook Collection

Motivate your English language learners with high-interest, on-level, authentic literature to build reading and listening skills. These texts provide scaffolded support to help your students become successful readers. Each text is narrated by one voice, while a second voice – a Reading Coach – interjects at opportune times to do “think alouds” that teach best practices in reading comprehension.

Each Collection Includes:

- 24 Audiobooks (6 titles; 4 copies each)
- 24 Accompanying Audio CDs
- Teaching Resources
- Sturdy Classroom Display Crates (2 crates)

Traits of Writing

Improve the way you teach writing with the Traits of Writing model.

Step inside primary classrooms to watch Ruth Culham and experienced classroom teachers use the traits for assessment and instruction. This powerful, research-based model gets results that will dramatically improve student writing performance. This professional development series is available for two classroom levels: Ages 5-8 and Ages 8 & Up.

Each Trait Includes:

- **Key Qualities** – definition and explanation of the trait.
- **Professional Study Group** – a discussion of the trait among teachers.*
- **Assessment Roundtables** – teacher discussions that use scoring guides to assess student papers at different levels.**
- **Focus Lesson** – a real classroom lesson designed to teach skills related to the trait.
- **A Closer Look** – teacher elaboration on important strategies for teaching writing with the traits.
- **Teachers Talk** – teachers providing insight about their lessons.*
- **Management Tips** – practical ideas from teachers who are experienced with using the traits.
- **Student Interviews** – students sharing their excitement as they talk about applying the traits to their writing.*

*Ages 5-8 series only

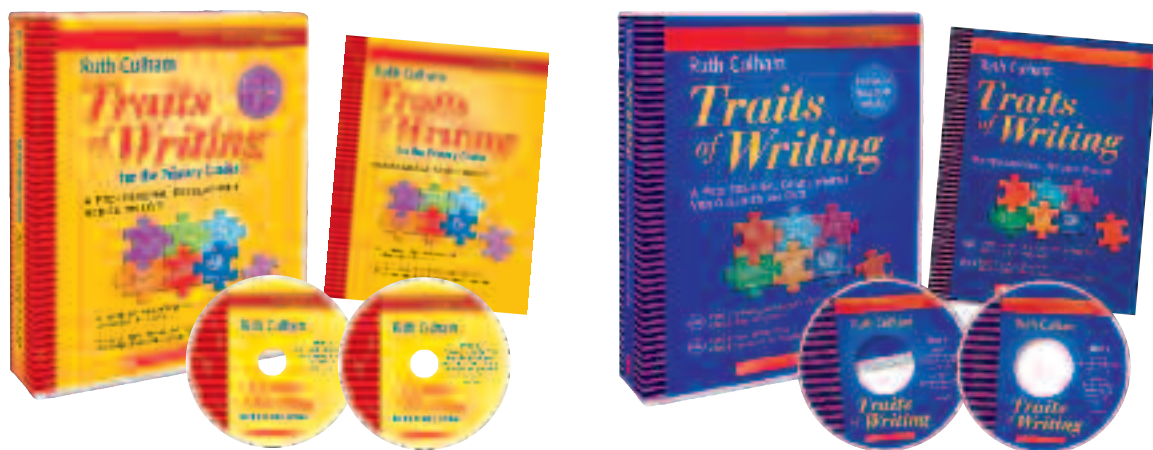

**Ages 8 & Up series only

Traits of Writing:

Ages 5-8 (2 DVDs and 80-page Professional Study Guide)
978-0-439-89470-8

Ages 8 & Up (2 DVDs and 72-page Professional Study Guide)
978-0-439-89471-5

Teaching writing with the traits just got easier!

Everything you need to teach the Traits of Writing model.

In these amazing kits, writing expert Ruth Culham gives you grade-perfect picture books with in-depth lessons to help you teach the traits of writing to your English language learners – ideas, organization, voice, word choice, sentence fluency, and conventions. Best of all, these materials are organized in a sturdy box with hanging folders – one for each trait – for easy, expandable storage that will accommodate trait-based lesson materials for years to come.

Each Trait Crate Includes:

- 6 Picture Books
- Six 16-page Teaching Guides
- 12 Teaching Transparencies
- 6 Colorful Teaching Posters (one for each trait)
- 120 Stickers
- 6 Expandable Folders
- Professional Book: *Using Picture Books to Teach Writing with the Traits*

Professional development for English language teachers.

Reading Success for English Language Learners (Ages 5-9)

is an interactive, online professional development course that focuses on the key knowledge and skills that English language learners need to learn in early literacy programs. Online sessions include lesson plans and best practices.

On completing this course, teachers will be able to:

- Teach strategically, using research-based methods, to help promote language proficiency, literacy, and content knowledge.
- Differentiate instruction based on students' levels of English proficiency, first language literacy skills, and background knowledge.
- Monitor students' progress through formal and informal assessments and observation.
- Integrate frequent, varied oral language development opportunities into daily reading and content-area instruction.
