SCHOLASTIC

Build Knowledge and Expertise

- ▶ Over 100 content bundles and 120,000 articles cover 100% of National Essential Skills in science and social studies.
- ▶ Reading supports, including anchor videos, leveled text, read-alouds, and Spanish translations, make content accessible to students of all reading abilities.

Support the Instruction of Content-Area and Information Literacy Skills

- ▶ Over 100 lesson plans and 300 project ideas support instruction in science, social studies, and information literacy skills.
- ▶ Articles and resources are searchable by Lexile level to differentiate instruction.
- ▶ Lesson plans, articles, and resources correlate to state standards.

Web-based, Anytime, Anywhere Learning

- ▶ As a trusted home base for students to find information, complete assignments, and manage projects—in school, the library, or at home.
- ▶ As a digital curriculum supplement in science and social studies classrooms.
- ▶ As a supplemental resource for building information literacy skills.
- ▶ As a way for public libraries to support researchers and homeschoolers and tie to the local school curriculum.

Help Students Plan and Complete Assignments

- ▶ Assignment planning wizard and calendar helps students plan projects, stay on task, and complete their work.
- ▶ Online note taker and outline tool teaches students to synthesize and organize information.
- ▶ Digital locker allows students to save and manage content online.
