

STRETCH book collections have everything you need to support a well-balanced reading curriculum.

The STRETCH collections include multiple copies of each title to help you create an interactive learning experience. Each classroom collection is packed with books to help you:

- **Build a community of readers in your classroom** who explore each title deeply and share ideas about authentic, high-quality books
- **Use multiple copies of each book in a small group setting** so that students can read the same book and participate in lively discussions about the content and its connections to their own real-life experiences
- **Encourage readers to spend more time on sustained reading** of fiction and nonfiction
- **Make the home-school connection** by inviting students to share books with their families as they read or retell the story at home

Each high-quality collection includes:

Grades K–6

- ★ 60 books (10 titles, 6 copies each)
- ★ Program Overview with annotations for each title and strategies for using authentic literature in the classroom
- ★ FREE 20" x 30" Full-Color Classroom Poster

Grades 7–9

- ★ 40 books (10 titles, 4 copies each)
- ★ Program Overview with annotations for each title and strategies for using authentic literature in the classroom
- ★ FREE 20" x 30" Full-Color Classroom Poster

Literacy expert **Phyllis C. Hunter** has handpicked the best nonfiction and fiction titles for every type of reader

Nationally renowned literacy expert Phyllis C. Hunter serves on the board of the National Institute for Literacy and is an advisor on the President's Educational Transition Team. Throughout her distinguished career as a teacher, administrator, and education specialist, Hunter has been a champion of using great literature in the classroom.

Based on her experience and expertise, she has compiled the new Phyllis C. Hunter STRETCH™ Collections offering a variety of nonfiction and fiction titles. These high-interest collections can be used independently or in addition to her existing **best-selling Phyllis C. Hunter Classroom Libraries** to captivate students' imaginations and instill a lifetime love of reading.

"Classroom libraries should contain several copies of the same title so that several children can read the same book and have in-depth discussions about it."
—Huck, Kiefer, Hepler, Hickman, 2004
