Cruisers Book 4: Oh, Snap!

Walter Dean Myers

Walter Dean Myers's Cruisers series keeps going strong!

Summary

The Cruisers are in trouble--again. The freedom of expression they've enjoyed by publishing their own school newspaper, THE CRUISER, has spread all the way to England, where kids from a school "across the pond" are now contributors to their own school's most talked-about publication. When photos start to go alongside the articles written by kids, things get suspicious. Zander, Kambui, LaShonda, Bobbi--and a bunch of students from Harlem's DaVinci Academy and London's Phoenix School--come to learn that words and pictures in a newspaper don't always tell the whole story.

With his signature on-point pacing and whip-smart characters, award-winning author Walter Dean Myers delivers another awesome book about the Cruisers, a group of middle-school misfits who are becoming the coolest kids in the city.
