Rotten

Michael Northrop

A gripping tale of a troubled teenager and a rescued Rottweiler, from critically acclaimed author Michael Northrop.

Summary

J.D. is back in town after spending the summer "upstate." No one believes his cover story about visiting his aunt, and it's pretty clear that he has something to hide. It's also pretty clear that his mom made a new friend while he was away -- a rescued Rottweiler that J.D. immediately renames Jonny Rotten (yes, after that guy in the Sex Pistols). Both tough but damaged, J.D. and Jonny Rotten slowly begin to trust each other. But when the Rottweiler bites Miles, one of J.D.'s so-called friends, J.D.'s world turns upside down and the secrets he has tried so hard to keep under wraps start to unravel.

A riveting tale of heroism, loyalty, and second chances, this gripping novel will strike a deep, lasting chord with underdogs of all shapes and sizes.

The Scorpio Races

Maggie Stiefvater

A spellbinding novel from #1 NEW YORK TIMES bestselling author Maggie Stiefvater.

Summary

Some race to win. Others race to survive.

It happens at the start of every November: the Scorpio Races. Riders attempt to keep hold of their water horses long enough to make it to the finish line.

Some riders live.

Others die.

At age nineteen, Sean Kendrick is the returning champion. He is a young man of few words, and if he has any fears, he keeps them buried deep, where no one else can see them.

Puck Connolly is different. She never meant to ride in the Scorpio Races. But fate hasn't given her much of a choice. So she enters the competition--the first girl ever to do so. She is in no way prepared for what is going to happen.

As she did in her bestselling Shiver trilogy, author Maggie Stiefvater takes us to the breaking point, where both love and life meet their greatest obstacles, and only the strong of heart can survive. THE SCORPIO RACES is an unforgettable reading experience.

Jeffrey Salane

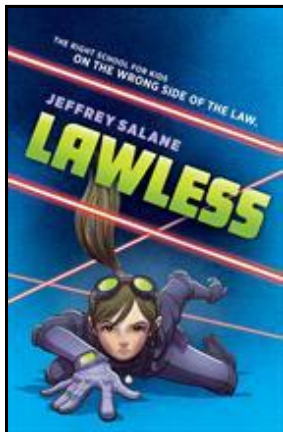

The Lawless School provides the right education for kids on the wrong side of the law.

Summary

Heist Society meets Harry Potter when M Freeman enrolls at the Lawless School -- a prestigious and secretive academy for the children of criminal masterminds.

Amidst the student body of young malefactors and miscreants, M navigates different criminal cliques from Crimers (tech criminals) to iDents (master forgers). And she stands out -- so much so that she's invited to join the secret society of Masters. Is she on the wrong side of the law after all?

A Corner of White

Book 1 of The Colors of Madeleine

Jaclyn Moriarty

The first in a rousing, funny, genre-busting trilogy from bestseller Jaclyn Moriarty!

Summary

This is a tale of missing persons. Madeleine and her mother have run away from their former life, under mysterious circumstances, and settled in a rainy corner of Cambridge (in our world).

Elliot, on the other hand, is in search of his father, who disappeared on the night his uncle was found dead. The talk in the town of Bonfire (in the Kingdom of Cello) is that Elliot's dad may have killed his brother and run away with the Physics teacher. But Elliot refuses to believe it. And he is determined to find both his dad and the truth.

As Madeleine and Elliot move closer to unraveling their mysteries, they begin to exchange messages across worlds -- through an accidental gap that hasn't appeared in centuries. But even greater mysteries are unfolding on both sides of the gap: dangerous weather phenomena called "color storms;" a strange fascination with Isaac Newton; the myth of the "Butterfly Child," whose appearance could end the droughts of Cello; and some unexpected kisses...

Summary

A music-obsessed, slightly snarky New York City girl, Lexi is on her own. After making a huge mistake--and facing a terrible tragedy--Lexi has no choice but to track down her long-absent mother. Rumor has it that Lexi's mom is somewhere in Florida, at the winter quarters of a traveling circus.
