## National Geographic Kids™ Chapters: Courageous Canine! And More True Stories of Amazing Animal Heroes

---

### **Booktalk!**

Some people are afraid of pit bulls. But not Dave, who fell in love with Lily from the start. Dave's mom, Christine, collapses one day as she and Lily are crossing some railroad tracks. After hearing the whistle from a train, Lily tugs and pulls until she gets Christine to safety. But Lily is hurt badly. She has saved Christine's life, but will she lose her own?
