The Rescue Princesses: The Secret Promise

by Paula Harrison

Booktalk!

Princess Emily has been waiting years for this trip, the trip where she'll meet all the other princes and princesses her age and dance the night away. How fun! Well it would be, if she was allowed to cut loose. Being a princess is so proper!

When she and the other princesses find an injured deer while playing in the woods, Princess Emily knows nursing it back to health isn't the royal thing to do... but it's the right thing to do.

Can she and her friends save this adorable darling without upsetting their regal parents?

Best for ages 7–10
