Three Times Lucky

Booktalk!

Lock your windows and doors – there’s a murderer on the loose in Tupelo Landing! And Mo LoBeau and her best friend, Dale, are in the middle of it all. They must find the killer before Dale gets implicated, since he was the last person to see mean old Jesse Tatum alive.

Mo is a natural-born detective. She’s been trying to find her own true mother ever since she was a baby, sent downriver on a raft during a mean hurricane. That’s when the Colonel found her and took her to Miss Lana to raise Mo as her own. But learning her own history can wait; Mo and Dale plan to solve the biggest crime this quiet town has seen.

Best for ages 8–12
