## Little Red Tool Box™

Little Red Tool Box is an English language early literacy program that provides the materials needed to challenge and support basic reading skills. These flexible manipulative sets support English language learners by addressing skills that are transferable from their primary language to English, including the alphabet, grammar, the use of cognates, sound-spelling, sight words, word learning strategies, and sentence formation. Students will love using these fun, hands-on tools that reinforce your core English curriculum. Each set is accompanied by a Teaching Guide with background information, lesson and activity ideas, and reproducible practice sets.
