THE GRAPH CLUB

Make Graphs Easy to Create and Understand!

The Graph Club is an innovative, easy-to-use tool that enables students to create, explore, interpret, and print graphs—helping them make the transition from graphing with manipulatives to graphing in the abstract.

- **NEW!** Completely refreshed and modernized interface
- **NEW!** Web-based installation for anytime, anywhere access
- **NEW!** Fully bilingual Spanish/English
- **NEW!** Interactive Whiteboard compatible for whole-class or small-group instruction
- Easily create picture, bar, circle, and line graphs, plus tables
- Reproducible assessment tools, including rubrics, checklists, and sample graphs
- 300+ built-in symbols – or import and save your own
- On-screen notebook with audio recorder lets students describe their graphs orally or in writing
- 100+ cross-curricular activities in mathematics, social studies, science and language arts
- A built-in, animated tutorial guides teachers and students step-by-step through the program's features
