Welcome to TrueFlix™

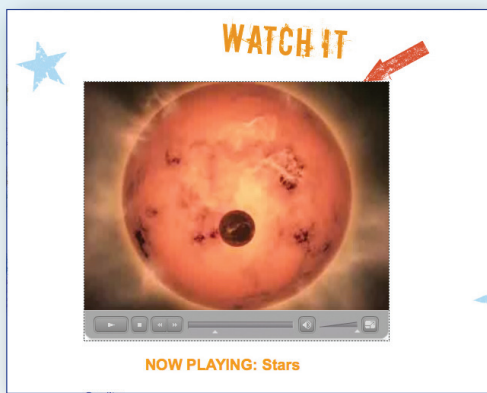

TrueFlix is the only online resource that leverages the award-winning True Books content to help students hone literacy skills and build knowledge of subject-area content. All titles are supported with a deep and diverse reservoir of related content and primary sources featuring videos, audio, images, and text.

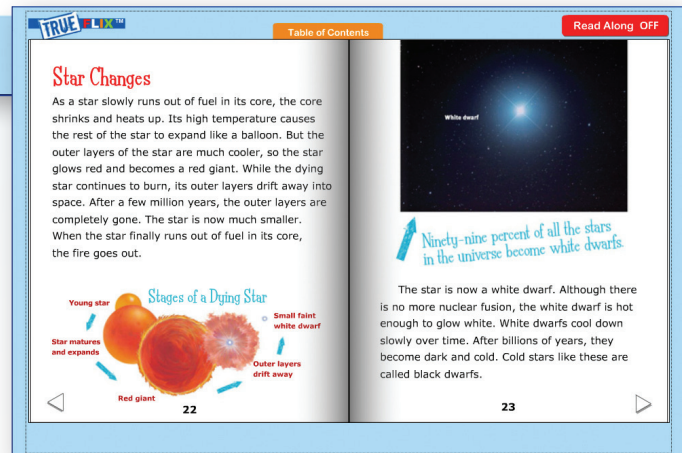

WATCH, READ, EXPLORE

Each TrueFlix title includes the following elements:

Watch the Video: A streaming video that engages the student and introduces the topic. The video enables the student to build crucial background knowledge before accessing the book.

Read the Book: A flipbook version of the True Book with page-turning and read-along features, chapter tabs, and vocabulary terms identified and defined. The versatile flipbook enables the student to exercise the non-linear reading and viewing behaviors that we know take place with digital content.

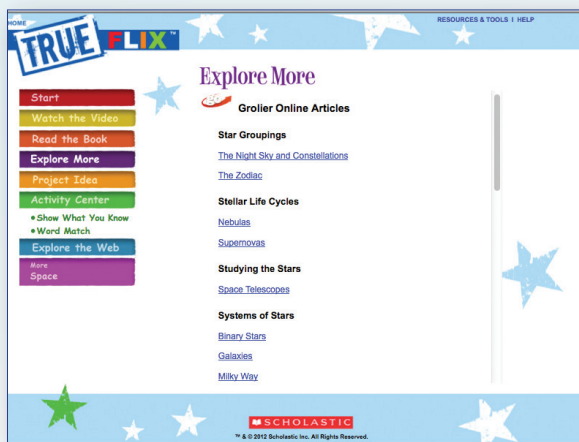

There's something for everyone in TrueFlix!
