

The criteria to request a free Display

Acquire a single trade order of \$1k or more (net spend after discount) and the customer can receive a free Scholastic Display as long as they are using a Freight Forwarder. A maximum of 3 displays can be requested with any single order.

Please note, owing to the high costs involved, we are unable to ship internationally without a freight forwarder address.

The process for requesting a free Display?

Once the book order invoice has been generated, send the following information through to Robin Theakston (rtheakston@scholastic.com) :

1. Name of Display Required from 4 featured on next page.
2. Name and Address of Freight Forwarder
3. Name and Address of Final Destination
4. A copy of the order invoice

You will receive confirmation once received. Please allow two weeks for delivery to the Freight Forwarder as the units are assembled individually.
