Border Town #3: Falling Too Fast

Malin Alegria

Summary

In Dos Rios, Texas, things aren't always as they seem.

Alexis Garza has music in her blood. She's certain that one day, she'll be leaving the border town of Dos Rios, Texas behind for a glamorous life of singing stardom. Until then, however, she'll have to content herself with belting her heart out at voice classes, going to high school mariachi band practice, and helping out at the Graza family restaurant.

Alexis's ordinary life takes a turn for the extraordinary when she meets the swoon-worthy lead singer of a rival high school's mariachi band. His singing (and his smile) make Alexis melt. There's one small problem-- this suave singer doesn't seem to know that Alexis exists. She's determined to make herself heard-- no matter what the cost.

Judy Blundell

Summary

From National Book Award-winner Judy Blundell, a lethal tale of love, mystery, and the Mob.

When Kit Corrigan arrives in New York City, she doesn't have much. She's fled from her family in Providence, Rhode Island, and she's broken off her tempestuous relationship with a boy named Billy, who's enlisted in the army.

The city doesn't exactly welcome her with open arms. She gets a bit part as a chorus girl in a Broadway show, but she knows that's not going to last very long. She needs help--and then it comes, from an unexpected source.

Nate Benedict is Billy's father. He's also a lawyer involved in the mob. He makes Kit a deal--he'll give her an apartment and introduce her to a new crowd. All she has to do is keep him informed about Billy . . . and maybe do him a favor every now and then.

As she did in her National Book Award-winning *What I Saw and How I Lied*, Judy Blundell traps readers in a web of love, deceit, intrigue, and murder. The result? One stunner of a novel.

A thrilling tale of spies, intrigue, and heart-racing romance!

The Encyclopedia of Me

Karen Rivers

Summary

A is for Aardvark, Tink Aaron-Martin, and Amazing in this wonderful alphabetical novel!

Tink Aaron-Martin has been grounded AGAIN after an adventure with her best friend Freddie Blue Anderson. To make the time pass, she decides to write an encyclopedia of her life from "Aa" (a kind of lava--okay, she cribbed that from the real encyclopedia) to "Zoo" (she's never been to one, but her brothers belong there).

As the alphabet unfolds, so does the story of Tink's summer: more adventures with Freddie Blue (and more experiences in being grounded); how her family was featured in a magazine about "Living with Autism," thanks to her older brother Seb--and what happened after Seb fell apart; her growing friendship, and maybe more, with Kai, a skateboarder who made her swoon (sort of). And her own sense that maybe she belongs not under "H" for "Hideous," or "I" for "Invisible," but "O" for "Okay."

Written entirely in Tink's hilarious encyclopedia entries, THE ENCYCLOPEDIA OF ME is both a literary trick and a reading treat for anyone who loves terrific middle-grade novels.

Author Bio

Karen Rivers writes rich and funny novels for middle-grade readers, young adults, and the occasional grown-up. She lives in Victoria, British Columbia, with her two children and a noxious-smelling dog. Visit her online at www.karenrivers.com and @karenrivers.

When his lieutenant assigns him to be the company historian of the G Company of the 122nd Regiment, New York Volunteers, he is initially at a loss as to what exactly he is supposed to record. As the days pass, James settles into his role, but he cannot take comfort in it. His country is divided by a bloody war, and his unit struggles through the hardships and turmoil. The Raven Boys

Maggie Stiefvater

Summary

An all-new series from the masterful #1 *New York Times* bestselling author Maggie Stiefvater!

"There are only two reasons a non-seer would see a spirit on St. Mark's Eve," Neeve said. "Either you're his true love . . . or you killed him."

It is freezing in the churchyard, even before the dead arrive.

Every year, Blue Sargent stands next to her clairvoyant mother as the soon-to-be dead walk past. Blue herself never sees them-not until this year, when a boy emerges from the dark and speaks directly to her.

His name is Gansey, and Blue soon discovers that he is a rich student at Aglionby, the local private school. Blue has a policy of staying away from Aglionby boys. Known as Raven Boys, they can only mean trouble.

But Blue is drawn to Gansey, in a way she can't entirely explain. He has it all-family money, good looks, devoted friends-but he's looking for much more than that. He is on a quest that has encompassed three other Raven Boys: Adam, the scholarship student who resents all the privilege around him; Ronan, the fierce soul who ranges from anger to despair; and Noah, the taciturn watcher of the four, who notices many things but says very little.

For as long as she can remember, Blue has been warned that she will cause her true love to die. She never thought this would be a problem. But now, as her life becomes caught up in the strange and sinister world of the Raven Boys, she's not so sure anymore.

From Maggie Stiefvater, the bestselling and acclaimed author of the *Shiver* trilogy and *The Scorpio Races*, comes a spellbinding new series where the inevitability of death and the nature of love lead us to a place we've never been before.

Author Bio

Third Grade Angels

Jerry Spinelli

Summary

The long-awaited prequel to the bestseller *FOURTH GRADE RATS*

George, aka "Suds," has just entered third grade, and he's heard the rhyme about "first grade babies/second grade cats/third grade angels/fourth grade rats," but what does this mean for his school year? It means that his teacher, Mrs. Simms, will hold a competition every month to see which student deserves to be awarded "the halo" - which student is best-behaved, kindest to others, and, in short, perfect. Suds is determined to be the first to earn the halo, but he's finding the challenge of always being good to be more stressful than he had anticipated. Does he have to be good even outside of school? (Does he have to be nice to his annoying little sister?) And if Mrs. Simms doesn't actually see him doing a good deed, does it even count?

A warm, funny return to elementary school from master storyteller Spinelli.

Author Bio

Jerry Spinelli won the Newbery Medal in 1991 for *Maniac Magee*, one of his more than 25 acclaimed books for young readers. He now lives in West Chester, Pennsylvania, with his wife, Eileen Spinelli, who is also an author of children's books.
