

# Grolier Online®

Connect all students to a world of knowledge and learning.

Grolier Online enables students in Grades 2 and above to conduct in-depth research and build content-area knowledge in an easy-to-use, online learning environment. A comprehensive collection of engaging, leveled nonfiction content and learning resources, Grolier Online is a bridge for deeper knowledge in the classroom, school library, or at home.

Delivered completely over the Internet, Grolier Online features:

- Two age-appropriate learning environments to differentiate the learning experience.
- Eight curriculum-aligned databases to encourage in-depth study in science, social studies, geography, current events, and more.
- More than 100,000 nonfiction articles leveled according to the Lexile® Framework to help match students to reading materials they can comprehend.
- Interactive time lines, maps, and photographs to deepen learning and engage students.
- Links to periodicals and Web sites to extend learning on high-interest topics and provide students with an opportunity to interact with real-world text.
- Educator resources aligned to state and national standards to supplement classroom lessons, discussions, and homework assignments.

Your annual subscription to Grolier Online includes unlimited use in the school building, as well as home access.
