A delightful rainy-day celebration!

Split! Splat!

I sing a little rain song, a simple song, a plain song, a pitter-patter-tip-tap-on-the-windowpane song. Drip drop, plip plop, pit pat, split splat! Put down your umbrella! Take off your galoshes! It's time to sing and dance in the rain. When one little girl and her adorable dog venture out on a rainy spring day, her neighborhood friends join her, and what results is squishy, sloshy, muddy day fun. Amy Gibson's simple, whimsical rhymes and New York Times bestselling illustrator Steve Björkman's bright and sweet illustrations create the perfect celebration of nature and friendship in this springtime, anytime rhyme! **9780439587532 HC \$15.99**

Blue Sky

What do you see in the sky above? Using simple language and bursts of bright color, Audrey Wood's new concept book will keep readers—young and old—looking skyward. Spanning the sky's ever-changing panorama, each page presents a different skyscape as the day progresses—"Cloud Sky" "Rain Sky" "Rainbow Sky." Slowly, the day darkens into a "Star Sky," and a child, now dressed for bed, gazes out to a "Wish Sky." Soothing and warm, Blue Sky is perfect for bedtime, too—and morning reading as the sun comes up again into "New Sky" "Blue Sky." The simple, direct text is a wonderful opportunity for children, parents, and teachers to sharpen their observation skills. This fresh approach to nature combines joy, wonder, and tranquility as it captures the fascinating landscape always above us and reminds us to include the sky in our daily life.

Sheila Keenan's captivating stories and Nathan Fox's stunning art bring the heroic military dogs to life.

Pandemonium Dogs of War Some war heroes heard wind whistling over a hidden trip wire. Some war heroes sniffed out a sniper 1,000 yards away. Some war heroes stood tall...on four legs! Dogs of War tells the stories of the canine military heroes of World War I, World War II, and the Vietnam War and of the bonds between soldier and dog. These three fictional stories are inspired by historic battles and real military practices, and are heroic adventures, rendered with fascinating detail, about the faithful dogs who braved bombs, barrages, and battles to save the lives of countless soldiers. Based on the real-life roles of military dogs that worked as Red Cross workers, messengers, scouts, search-and-rescue teams, sentries, and mascots, Dogs of War captures the devastation brought on by war and the celebrations of life and friendship between boys and their dogs. 9780545128889 PB \$10.99
